I give this consent in advance of any specific diagnosis or treatment. I intend this consent to be continuing in nature even after a specific diagnosis has been made and treatment recommended. The consent will remain in force until revoked in writing; and a revocation of this consent will not affect the validity of my consent as to acts performed prior to the revocation. I understand that my consent on this form extends to practice locations affiliated with O2 Pulmonary & Sleep Group. A photocopy of this consent shall be as valid as the original. I understand that while my consent is voluntary, if I refuse to sign this consent, O2 Pulmonary & Sleep Group may refuse to treat me.

Minor/Disabled Patient: If I am signing this consent on behalf of a patient who is under age 18 or impaired in such a way as to make him or her unable to consent to or refuse treatment, I represent to O2 Pulmonary & Sleep Group that I have the legal authority to consent to treatment on the patient's behalf and that I do in fact consent to treatment as described in the preceding paragraph. In such a case, references in this form to "I", "me", or "my" are intended as references to the patient where appropriate in the context.

Exposure Testing: I understand that in the case of an accidental exposure to blood or other bodily fluids, state law allows O2 Pulmonary & Sleep Group to perform an HIV test without obtaining the patient's consent on a patient who may have exposed a healthcare worker to HIV.

I understand that the cost of healthcare services provided to me is my personal responsibility, even if I have insurance coverage for that cost, and that I am directly liable to O2 Pulmonary & Sleep Group for any portion of such cost that my insurance company or other third-party payer does not pay, for any reason. If I am signing this form on behalf of a person whom I have allowed to be a dependent on my insurance coverage, I acknowledge that I am personally liable for any copayment, deductible obligation, or other portion of O2 Pulmonary & Sleep Group's charge for services to that person that my insurance company or other third-party payer does not pay. If the patient is my minor child, I acknowledge that I am legally responsible to O2 Pulmonary & Sleep Group Clinic for its charges for services to the patient without regard to the allocation of liability for such charges as between other persons and me in a decree of divorce or other court order or decree.
